

Learnership Disability Support Services

Siyaya Skills Institute can help your organisation become a more cooperative, inclusive, and productive place to work. Through our holistic and client-centred approach, we specialise in assisting employers and employees in Disability Management.

Our team of Occupational Therapists have extensive knowledge and practical understanding of how to support employers and persons with disabilities in the workplace.

We offer three broad services:

- Learnership Support Services
- Disability Inclusivity Services
- Higher Education Disability Support Services.

For Skills Development Service Providers we offer:

- **Proof of Diagnosis Verification:** we ensure that your proof of disability documentation is valid and authentic.
- **Functional Assessment:** we use diagnosis-specific functional assessment tools to ensure you meet all the criteria stipulated in the legislation.
- **Inclusivity Site Audits:** we assess client environment and advise on how to change the site to reasonably accommodate a wide range of disabilities.
- **Sensitisation:** we deliver appropriate sensitisation workshops to create a culture of inclusion and acceptance in organisations and among employees.
- **Transition to the World of Work:** we prepare learners for the workplace through skills workshops such as Stress and Conflict Management, Teamwork, Budgeting, Complying with Workplace Codes of Conduct, Work Etiquette and Work Ethics.

Why Disability Management Services

- All our OT processes are aligned to relevant and current legislation
- We have a team of highly experienced and dedicated OT professionals
- You can gain B³E² points towards The Department of Trade and Industries Broad-Based Black Economic Empowerment scorecard

We are committed to providing employment opportunities, to improving disability understanding, and to eliminating barriers in the workplace, so that all individuals have access to a productive, healthy, safe, and equitable workplace.
